

RMATA Robert Ryan Student Symposium Proposal

The RMATA Student Senate is accepting proposals for presentations to be included in the Robert Ryan Student Symposium.

It is recommended that you save this document onto your computer and complete it using Adobe Acrobat Reader ([download Adobe Acrobat Reader DC for free](#)).

Depending on your web browser, not all aspects of the proposal document can be utilized if you attempt to fill it out from within your web browser. While using Adobe Acrobat Reader, all information can be typed directly into the document, data may be saved in the document, and the document may be printed with entered data included.

1. Primary Speaker/Presenter

Please provide the following information for the Primary Speaker/Presenter. This person will be the primary point of contact for all information from the RMATA Student Senate.

Name:

School:

Phone:

Email:

2. Additional Speakers/Presenters

If applicable, please provide the names of any additional presenters:

3. Title of Presentation:

Please indicate the title of your presentation, as you would like it to be published in the meeting materials

4. Abstract

Please provide a 1-2 paragraph abstract of your presentation. Please address how research supports this topic/technique (with citations) and the target audience.
